

THE 1772 FOUNDATION

Announcement

2018 New Jersey Historic Preservation Matching Grants for Private Non-Profit Organizations

in cooperation with the New Jersey Historic Trust

The 1772 Foundation has announced that funding in the form of 1:1 matching grants of up to \$15,000 will be made available for the following historic preservation projects: exterior painting, finishes and surface restoration, fire detection/lightning protection/security systems, repairs to/restoration of porches, roofs and windows, repairs to foundations and sills, and chimney and masonry repointing.

To demonstrate the sustainability of historic sites, applicants may be required to submit a cyclical maintenance plan, condition assessment, restoration plan or stewardship plan that has been prepared or updated within the last five years. If an appropriate plan does not exist, the Foundation will consider providing support for development of a plan on a case-by-case basis.

The 1772 Foundation is accepting applications submitted *on or before December 15, 2017* for consideration at its May board meeting.

Applications will be reviewed with the assistance of the New Jersey Historic Trust.

Applications should be submitted to njht@dca.nj.gov and use *1772 Foundation* in the subject line.

To be eligible to apply, organizations must have a 501(c)(3) IRS designation. Organizations also must have closed any previously awarded 1772 Foundation matching grant to be eligible to apply.

Funding will not be provided for schools or churches.

The Foundation will consider the following:

- Matching grants for exterior painting, finishes and surface restoration
- Matching grants to install or upgrade fire detection, lightning protection and security systems
- Matching grants for repairs to/restoration of porches, roofs and windows
- Matching grants for structural foundation and sill repair/replacement
- Matching grants for chimney and masonry repointing
